Description

Xin Mo Arcade to USB controller

A USB controller with arcade quick connects making M.A.M.E or any other emulation a cinch. Just use the quick connects on your arcade buttons and joysticks and connect the USB to your computer or PS3 and you are ready to rock. This is not a keyboard encoder so no ghosting and no issues.

This 2 Player USB controller recognizes as 2 separate player joysticks with a total of 30 inputs (2 joysticks with 4 directions each and 22 buttons/inputs.) Included: 1 - Xin Mo Arcade to USB Controller (2 Player), 7 - 4 wire quick connects for signal inputs, 1 - 2 wire quick connect for signal inputs, 2 - 16 wire ground braid with quick connects, 1 - 6 ft. USB cord.
